

# Edge Detail Selections

## Eased Edge

Flat, simple, clean & modern, the eased edge pairs nicely with a contemporary design.

## 1/4" Round

The top edge of the granite has a slight radius.

## 1/2" Round

Similar to the 1/4" with a slightly more rounded top edge.

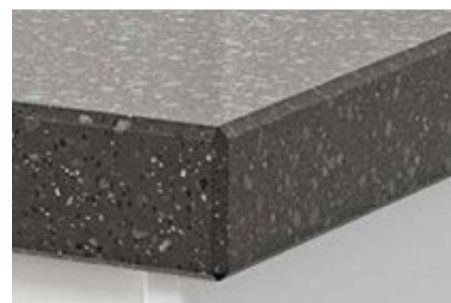

## Demi Bullnose

This edge also features a rounded edge, pairing nicely with a traditional design.

## Full Bullnose

Commonly seen in a traditional design, the full bullnose makes the edge appear thinner.

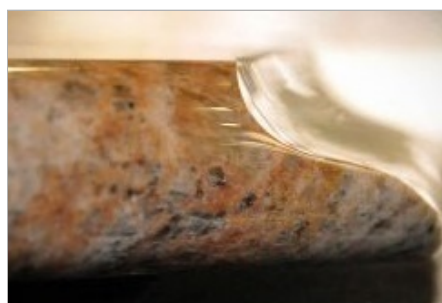

## 1/8" Bevel

A bevel edge features a subtle, angular edge & pairs nicely with a modern design.

## 1/4" Bevel

A bevel edge features a subtle, angular edge & pairs nicely with a modern design.

## Ogee Edge

The Ogee edge has a classic, elegant look, that pairs nicely with a traditional kitchen.
